

FallTech 7042 Journeyman 6D Tower Climber Harness

Specification Sheet | SKU 7042 | FallTech Body Wear

Features

- Dorsal, hip, sternal, and suspension D-rings cover fall arrest, ladder climbing, work positioning, and seat suspension from one harness.
- The integrated soft-sling suspension and positioning seat supports extended hanging work without a separate bosun chair.
- The integral vented and padded hard-shell shoulder yoke plus a 6 inch waist support positioning pad provide all-day comfort.
- Paired lanyard parking keepers provide balanced storage for lanyards and personal SRLs while you climb.
- Tongue buckle legs are uniquely equipped with 9 grommeted adjustment positions for a wider range of fit.
- A fully adjustable suspension trauma relief system ships with the harness for post-fall suspension safety.
