

# FallTech Hinged Self-Tracking Fall Arrester, 5/8 in Rope

Part Number(s): 7491 | Brand: FallTech | Product Specification Sheet

## Features

- Hinged design allows user installation at any point on the lifeline
- Trailing mobility follows ascending and descending user with minimal effort.
- Cam-action braking design quickly locks on the lifeline to arrest the fall
- Tension roller and internal spring maintain lifeline position and allow user mobility
- Anti-inversion hinge cam prevents upside-down installation
- Double-locking closure helps prevent accidental opening
- Stainless steel construction for use with 5/8" diameter synthetic rope lifeline and energy absorbing lanyard
