

FallTech 8021FN Roughneck 4D Derrick Belted Harness

Specification Sheet | SKU 8021FN | FallTech Body Wear

Features

- A unique arrangement of dorsal, sternal, dorsal extension, and restraint D-rings supports device transition and restraint applications on the rig.
- The integral padded shoulder yoke, hip-to-seat leg pads, and 5 inch waist support pad provide breathable comfort through long towers.
- Paired seat fastening buckles accept the FallTech 8045 positioning seat for suspended work without a separate rigging step.
- An integrated adjustable suspension trauma relief system ships on the harness for post-fall suspension safety.
- The quick-connect chest buckle features visual indicators showing positive connection before you climb.
- Tongue buckle legs are uniquely equipped with 9 grommets adjustment positions for a wider range of fit.
