

FallTech 8031 Roughneck Belly Belt with Connecting Straps

Specification Sheet | SKU 8031 | FallTech Body Wear

Features

- 8 inch heavyweight web construction with a 3 inch anterior support band spreads positioning loads across the belly.
- Integrated fixed-position frontal D-rings are ideally suited for throwing pipe in monkey board positioning applications.
- Adjustable upper-torso mating buckles and straps attach the belt to 8021-series derrick harnesses so it stays put under load.
- Features 7 adjustment positions providing a 9 inch range of fit across each belt size.
- Buckles rated to 3,372 lb min. static strength with polyester webbing rated to 5,000 lb min. static strength.
- Meets OSHA 1926.502 and 1910.66 regulations for work positioning when used with a compliant full body harness.
