

FallTech 8048QC Carbon FT-One Tower 6D Tower Climber Harness

Specification Sheet | SKU 8048QC | FallTech

Features

- Features carbon fiber composite seat that conforms to the user's body when in suspension providing the next generation of comfort at a fraction of the weight.
- Uses a self-orienting magnet for seat retention instead of hooks for a snag-free experience.
- Conventional quick-connect buckles allow the seat to be removed entirely when not needed.
- Comfort Legs® lateral leg strap construction greatly improves mobility and comfort.
- Modular Belt System™ allows for custom configuration of tool bag and pouch positions for ease of use, comfort, and efficiency.
- Waist belt features four 5 lb. rated ANSI/ISEA 121-compliant tool tether anchor attachments plus two additional lanyard keepers for more comfortable SRL connector placement.
