

# FallTech 8048RB Suspension & Positioning Seat for Carbon FT-One

Specification Sheet | SKU 8048RB | FallTech

---

## Features

- Features carbon fiber composite seat that conforms to the user's body when in suspension providing the next generation of comfort at a fraction of the weight.
- Uses a self-orienting magnet for seat retention instead of hooks for a snag-free experience.
- Conventional quick-connect buckles allow the seat to be removed entirely when not needed.
