

A remarkable leap forward in fall protection

Linemen can now climb quicker, smoother, and work more safely with FallTech® APEX™ PRO.

Your wood pole fall restrict device slowing you down?

The patent pending APEX™ Pro eliminates the shortcomings of traditional fall restrict devices.

- Thumb release lever allows for effortless adjustment, even with a gloved hand
- Extra-large diameter rope has better ergonomics and durability than traditional 10mm rope
- Neodymium magnet body belt attachment prevents tripping and snags from the tail end of the rope

Part #	Application	Parts Included
8180D	Distribution (4" to 18" Pole Diameter)	Strap and rope assembly
8180DS	Distribution (4" to 18" Pole Diameter)	Strap assembly only
8180T	Transmission (4" to 30" Pole Diameter)	Strap and rope assembly
8180TS	Transmission (4" to 30" Pole Diameter)	Strap assembly only
8180R	Replacement Rope	Rope assembly only
8180SR	Secondary Positioning Rope Lanyard	n/a
8180M	Replacement Magnetic Keeper	Strap and magnet
