

18" EdgeCore™ D-Ring Extender Safety Within Reach

Introducing the EdgeCore D-Ring Extender, an innovative solution for effortless connection between your D-ring and SRL. This unique D-ring extender features the FallTech-exclusive EdgeCore, a Kevlar®-reinforced synthetic lifeline that's lighter, softer, and stronger than comparable steel cables!

This First-In-Class Extender Delivers:

Effortless Connection:

Easily attach your D-ring to your safety equipment with minimal hassle.

Enhanced Mobility:

Enjoy superior movement with a soft, lightweight design that outperforms traditional bulky steel cables.

Ultimate Durability:

Engineered to handle the toughest environments while ensuring maximum safety.
