

V-FORM® Welding Full-Body Harness

Revolutionizing Comfort and Protection:
Our lightest, most flexible welding harnesses ever created.

Superior Comfort

The Quick-Connect buckle allows for a close, comfortable harness fit—eliminating the need for bulky chest straps or cumbersome buckles.

Increased Flexibility

The Quick-Connect buckle creates an athletic cut, contouring the harness to the body and improving upper torso movement on the job.

Adjustability

Pull-down adjustment allows you to quickly and easily get the right fit that lasts throughout the work day.

Now Available

MSA's innovative webbing blend allows for a softer and more flexible harness.

WE KNOW WHAT'S AT STAKE.
