

CUT LEVEL 2 WORK GLOVES

The Malta Dynamics Ultra-Thin Cut Level A2 Work Gloves combine lightweight comfort with reliable protection for high-precision tasks. Featuring a durable nitrile palm coating, these gloves deliver a strong, slip-resistant grip on dry or lightly oily surfaces while maintaining flexibility for detailed work.

Designed with breathability in mind, the thin, comfortable construction keeps hands cool and reduces fatigue during long shifts. The gloves are also touchscreen compatible, allowing workers to operate devices without the hassle of removal. With ANSI/ISEA Cut Level A2 protection, they provide a balance of safety, dexterity, and convenience—making them a trusted choice for construction, manufacturing, and maintenance crews.

KEY FEATURES

1. Durable nitrile palm coating provides secure grip and abrasion resistance
2. Touchscreen compatibility

- Ultra-thin, lightweight design maximizes dexterity for precision work
- Breathable material keeps hands cool and reduces fatigue during long wear
- Available in multiple sizes for a secure, comfortable fit
