

## CLASS 1-P WILDBOAR SERIES

The Malta Dynamics 6' WildBoar Self-Retracting Lifeline is designed for short-range tie-off applications where mobility and safety are equally important. Featuring an impact-resistant polymer housing and a high-strength UHMWPE lifeline with polyester, this compact personal SRL provides lightweight durability that holds up to the demands of active jobsites. The heavy-duty steel snap hook ensures a secure connection, while the self-retracting design allows for smooth extension and retraction.

Rated as a Class 1-P device for anchorage at or above the dorsal D-Ring, this SRL supports a single user within the 130–310 lb. capacity range. Meeting ANSI Z359.14-2021 and OSHA standards, it delivers a maximum arresting force of 1,800 lbf., an average arresting force of 1,350 lbf., and a maximum arresting distance of 42 inches. Compact, reliable, and easy to use, the 6' WildBoar SRL is an essential choice for workers needing fall protection in smaller work zones.

### KEY FEATURES

1. 360° Swivel Top
2. Lightweight and Durable Housing
3. Shock Pack Cover
4. Polyester Lifeline
5. External Shock Pack

- For overhead use only
- Fits in the Palm of Your Hand
- C1004 Dual Connector Carabiner Included with Duals

### PERFORMANCE SPECIFICATIONS

Worker Capacity Range	130-310 lbs. Max
Max Arresting Force	1,800lbf
Average Arresting Force	1,350lbf
Max Arresting Distance	42"

### MATERIALS SPECIFICATIONS

Cable	UHMWPE with Polyester Lifeline
Hook	Alloy Steel
Housing	High-Impact Resistant Polymer

### FALL PROTECTION STANDARDS

ANSI	ANSI/ASSP Z359.14-2021
OSHA	1926 Subpart M, OSHA 1910, 1926.502, 1910.66

PART #	SIZE	WEIGHT
C4102	6' Snap	2.7 lbs.
